Oral and written exam of language skills, written papers and presentations on methodology, internship and lesson design.

## Contact person
Ankie Mantel; Ankie.Mantel@Inholland.nl

## Prerequisites
B2/C1 level of English (minimum)  
Some basic knowledge of Dutch is helpful.

Students should have a very good level of English and should have some experience teaching younger children (age 4-12).

## Objective of the course
Students develop and improve their language skills of English and competences of teaching English to young learners.

## Special remarks
Apart from a limited number of compulsory workshops and lectures there is a lot of self-study, during which student are expected to work “independently”.

Only if we receive enough applications for the course, the programme will be offered in term 3.
