

Housing WoonInvest Theresiastraat The Hague

Housing WoonInvest offers student flats on the Theresiastraat, a street that is centrally located and easily accessible. The student flat is conveniently located next to Inholland University of Applied Sciences The Hague. Since there is limited availability, you will be put on a waiting list. The people with the longest registration period will be invited to viewings, therefore, make sure you register as soon as possible. **Average waiting time is over 1 year.**

Please note: Inholland University of Applied Sciences does not mediate between WoonInvest and students.
