Please read this information-sheet carefully.

Visa (MVV – Machtiging tot Voorlopig Verblijf)

To enter the Netherlands, you need to hold a valid entry visa. In addition, following your arrival in the Netherlands with this entry visa, you will need to obtain a residence permit for the duration of your exchange programme (no extension possible). Due to applicable regulations, students cannot directly apply for a Dutch study visa, but must do so through the Dutch host university. If you enrol in the international programmes of Inholland, the Central Student Administration of Inholland will take care of the visa application on your behalf. Inholland charges an administration fee for this. After you submitted the necessary documents and transferred all fees and deposits to Inholland, we will submit a visa request to the Dutch Immigration Office on your behalf. If the request is approved, your entry visa may be issued at the embassy in your home country within 2-6 weeks after submission. With this visa you can travel to the Netherlands. Within three days after arrival in the Netherlands you will have to make an appointment with the Inholland International Office of the location where you will do your exchange. They will inform you about the formalities around your stay in the Netherlands and obtaining your resident permit.

Note: it is not permitted under any circumstances to enrol in a programme in the Netherlands when holding a tourist visa. Moreover, during the visa application procedure you are not allowed to be in the Netherlands.

Preconditions

Before Inholland can start the MVV application on your behalf, you first must make sure that you satisfy all the exchange programme application requirements of Inholland. We can only proceed with your visa application if you fulfil all the requirements, you have been accepted and registered by Inholland as an exchange student and have transferred all the relevant fees and deposits.

Necessary documents for visa

For the MVV application you will need to submit several documents to Inholland. After you've been accepted to Inholland and received an email with instructions to apply for your MVV by using VisaCare, you will be informed about which documents you need to send us.

As it may take you some time to gather all the necessary documents, we strongly advise you to start collecting these following documents:

1. A copy of your passport including all the pages that contain stamps and old stickers. Please note that the passport should still be valid for at least the entire period of the exchange.
2. An original bank statement in your name or in name of your sponsor (proof of financial means for the Dutch Immigration Office by students other than Chinese students (Chinese student please see page 3)).
3. The original grant statement, for example if you hold an Erasmus grant (if applicable).
4. For students with the Chinese nationality: a "**Nuffic Certificate**".
5. A criminal conduct statement (if applicable).
6. In case you wish to collect your visa (MVV) in another country than your home country: a copy of your residence permit of that country valid for at least three months after collecting the visa (MVV).
7. A portrait photo for your residence permit. The photo must comply with certain detailed and strict legal **requirements**.

During your VisaCare process you will also be informed about other documents you need to send us.

All the above mentioned documents need to be stated in English, German, French or Dutch and may not be older than 3 months. If you are submitting documents in another language, they must be original documents and must be accompanied by a certified translation.

Fees and payment

Visa and residence permit fees

IND administration fee	€174,-
Inholland administration fee	€ 35,-

You need to transfer the IND and Inholland administration fees of €209,- into the Inholland bank account. Inholland will transfer the €209,- fee on your behalf to IND.

Health Insurance

Having a sufficient health and liability insurance for the time of your stay in the Netherlands is a prerequisite for the MVV application. Inholland will take out a compulsory health and liability insurance on your behalf with **AON insurance**. The insurance will cover you for the duration of your exchange period. Inholland will pay these fees on your behalf, if you have made a timely and sufficient deposit.

Health insurance fees	€387,- for one semester
	€655,- for two semesters

Note:

- If you arrive before the 25th of January, please make sure that you are properly insured.
- Please also remember to take out sufficient travel insurance, if desired.
- Cancelling your existing health insurance in your home country may result in acceptance problems on your return, so it may be wise not to cancel this insurance.

Proof of financial means

Due to Dutch laws and regulations, international exchange students must demonstrate that they have sufficient financial means to cover all the study and living expenses during their studies in the Netherlands. Based on these regulations, you will need to demonstrate that you have a net amount of at least €897,56 (or the equivalent in the currency of your home country) at your disposal for each month of your studies at Inholland to cover the living expenses during your stay in the Netherlands.

Example:

One semester	01-02-21/31-08-21:	€6.283,- (7 months x monthly €897,56)
Two semesters	01-02-21/31-01-22:	€10.770,- (12 months x monthly €897,56)

These amounts are set forth by the Dutch Student Finance Act and are subject to regular change. The amounts can be adjusted every six months.

Methods of payment

International students other than Chinese, African, Bangladeshi, Pakistani or Nepalese students (see below) may choose one of the following three methods to demonstrate sufficient financial means. For each of the below methods, the financial statements may not be older than 3 months.

Method 1

Evidence of the relevant amount can be provided by sending us an **original** bank statement demonstrating:

- the balance and that it is freely available at your disposal;
- name, address and telephone number of the bank;
- your full name and account number.

Method 2

Evidence of the relevant amount can also be provided by sending us each of the following documents:

- an **original** bank statement on the name of your sponsor demonstrating that your sponsor (for instance one of your parents) has the relevant amount freely available at his/her disposal in his/her bank account. (Make sure the name, address and telephone number of the bank is visible on the statement!)
- a signed statement from your sponsor that he/she will transfer €897,56 per month into your bank account during the time of your exchange stay in the Netherlands
- an original statement from the bank that they have a payment order to transfer the relevant amount to your account during your period of exchange in the Netherlands.
- a copy of the sponsor's passport.

Method 3

Holders of certain grants (i.e. Erasmus grant) can provide evidence of the relevant amount by sending us each of the following documents:

- an original statement indicating the awarding of the, for example, Erasmus grant and the amount of the grant;
- and (if the grant is not sufficient to cover the full amount needed:) any of the above methods to demonstrate that you have sufficient means to provide for the remaining amount not covered by the grant.

Students with Chinese, African, Bangladeshi, Pakistani or Nepalese nationality

Due to technical difficulties with obtaining correct bank statements from these countries, these students only have the option to transfer the total amount into the Inholland bank account. Inholland will deduct the related expenses from this deposited amount, and the final balance will be returned to you in your Dutch bank account after you have arrived in the Netherlands.

Bank details

Please transfer the applicable amount to Inholland on the following bank account, mind that no transfer costs are deducted:

Account details

Account holders name: Hogeschool Inholland
IBAN number: NL87RABO0160930510
BIC: RABONL2U

Bank details

Name: Rabobank
Address: Weena 770
Postal code: 3014 DA

Country: The Netherlands

When transferring the amount to Inholland, you must specify on the transfer your **first name + surname** and the code **920**. Without this reference, Inholland will not be able to trace your transfer, which will delay your application.

Additional information

Birth certificate

Although there is no need to submit a copy of your birth certificate during the visa (MVV) application, you will need to have an original, legalized birth certificate and an authorized translation in English, German, French or Dutch of this certificate before you come to the Netherlands. The reason for this is that the Dutch Embassy may ask for it when you collect your Dutch visa (MVV) in your home country. In addition, the Dutch municipal government of the municipality where you will reside will require this certificate for registration in the municipal registry. You will need to inquire in your home country where to obtain your birth certificate. Please note that it may take several weeks to obtain your birth certificate, have it legalized and have it translated.

Legalization

Legalization of a document means that this has been given an official stamp and has been signed by the competent authorities. In many countries this is done by the Ministry of Foreign Affairs. This signature and stamp will need to be validated by a signature and stamp from the Dutch embassy in your home country. The cost at the Dutch embassy may vary in different countries (usually around € 50).

International Office

Apart from the MVV application on your behalf, we can provide you with the extra services of the "Welcome to Inholland Programme", including the following services:

- Pick-up service from the train station or airport upon arrival in the Netherlands
- Assistance with registration at the City Council;
- Assistance with opening a bank account in The Netherlands.
