<b>Course content</b>	<p>The Metropolitan Hospitality Management module focuses on hospitality within the hospitality sector. During the two terms, the student works on a practical assignment, namely a recommendation plan, which must also be presented. The project (team track) is divided into 2 test units: project 1: Design and Portfolio. In the individual track (portfolio: Insight), the student has the opportunity to deepen certain hospitality-related knowledge and work on program specific learning objectives.</p>
